## CITATION BRAVO

Stunning Citation Bravo with a total of seven passenger seats. Four passengers are seated in a center-club arrangement with writing tables. One passenger is seated on a forward seat, opposite the ample refreshment area. The sixth and seventh passenger are seated in the aft cabin. There is a lavatory in the aft cabin.

The Citation Bravo is the world-renowned standard in the light jet world. With a speed of over 460 mph in a pressurized cabin, the Bravo can cruise at up to 43,000 feet—well above most weather or turbulence.
