### **TERMS AND CONDITIONS**

**Commercial Flight Transfers:** We highly recommend a 90 minute connection buffer through San Juan and a 60 minute connection through St Thomas. If you choose to book a connecting flight outside the recommended buffer you will do so at your own risk.

**Aircraft Departure:** Aircraft boarding will take place 15 minutes prior to the departure time. St. Barth Airport closes at sunset, NO EXCEPTIONS. We cannot delay flights due to late arrival of connecting flights. Passengers who arrive later than the departure time will miss their flight and forfeit their ticket. **Please note that the St Barth Airport now requires passage through security. Please allot extra time to account for potential delays.**

**Reservations, Cancellations and Changes:** Once you purchase your travel, the ticket is NON-REFUNDABLE. We will, however, accommodate changes in your itinerary to the best of our ability. If you cancel a reservation within 24 hours of departure you forfeit the ticket.

**Wait List:** Passengers can be only wait-listed for one flight. Passengers placed on wait lists are responsible for monitoring the status of their requests.

**Aircraft:** The aircraft used in the Caribbean are eight passenger single-engine turbo prop Cessna Grand Caravans and Pilatus PC-12s. We reserve the right to substitute aircraft if necessary.

**Baggage:** Every effort will be made to accommodate your baggage. Each passenger may take 50 lbs. of luggage. In the event that weight is deemed excessive by the Captain some baggage may be transported on other Tradewind aircraft. Large, hard-sided or oversized items may not fit. All luggage must fit through the Caravan cargo compartment opening which is 15" X 28" (38 X 71 centimeters). Please pack accordingly. If you have any questions, please be sure to contact our office.

**Pets:** Pets are welcome aboard all our aircraft but must be accompanied by their owners and appropriate documentation. If your pet is rowdy, destructive, or doesn't like to play with other pets, we ask that you place it in an appropriate pet carrier. If you are traveling with a pet, please notify the office and tell us its name and weight.

**Weather:** Our aircraft are certified to fly in most of the same conditions as scheduled commercial airliners. In certain limited circumstances, pursuant to federal regulations and/or safety, our aircraft will not be able to depart from, or land at our destination.

The decision to divert to another airport will be made by the Captain. All decisions will be made in the interests of safety and getting our passengers to their final destinations. Passengers are responsible for any costs associated with alternative travel arrangements made necessary by the diversion.

**Customs & Visas:** Tradewind Aviation needs to have all your customs information (passport number, date of birth, etc.) prior to departure. You may not board the aircraft without this and you will forfeit your ticket. If someone in your party is not a United States Citizen, please ensure that a Visa is not necessary for entry to St. Barthelemy. Boarding will be refused if you do not have a visa. Visas are required for entry into the U.S. unless you qualify for the Visa Waiver Program. Contact our office for more information.

**Visa Waiver Program:** For those passengers who qualify on the visa waiver program please be sure to apply and carry your approval with you on entry to the US. More information can be found at: <https://esta.cbp.dhs.gov/esta/>

**Questions:** Please feel free to contact us should you have any questions or concerns. We would welcome any comments or suggestions you may have. We strive to do our best to make your experience with us as comfortable and smooth as possible.

I have read, understood and agree to abide by the preceding terms and conditions.
